Important information about the nature of our services

Last Updated: 30 July 2026

1. General Information Only

The content published on the website <https://efb.ae> (the "Website") by Excellence Financing Broker ("EFB", "we", "us", or "our"), including all articles, guides, and calculators, is provided for general informational purposes only. It is not intended to be exhaustive or to address your specific circumstances.

2. No Financial Advice

Nothing published on the Website constitutes financial, legal, tax, or investment advice. Where you separately engage our paid consultancy services, any advice provided is limited to the specific scope of that engagement, as communicated to you before the service begins. You should seek independent professional advice before making any financial decision.

3. Our Role and Regulatory Status

EFB is an independent financial brokerage and consultancy company. We are not a bank and do not provide loans or other financial products ourselves. We connect customers with licensed banks and financial institutions in the UAE. EFB is licensed by the Dubai Department of Economy and Tourism (formerly the Dubai Department of Economic Development) under Trade License No. 869539. EFB is not licensed or regulated by the Central Bank of the UAE.

4. Consultancy Services and Fees

Our initial consultation is provided free of charge. If you choose to proceed with our professional financial consultancy services beyond that initial consultation, a consultancy or service fee may apply, depending on the nature and scope of the services provided. Any applicable fee is always communicated to and agreed with you before the paid service begins; no hidden charges are applied.

5. No Guarantee of Approval, Whether or Not a Fee Is Charged

We do not approve or reject any application and do not guarantee that any enquiry, or any paid consultancy engagement, will result in loan or credit approval. Payment of a consultancy or service fee does not, under any circumstance, guarantee loan approval, credit approval, mortgage approval, or approval of any other financial product. Final approval, interest rates, fees, and terms are determined solely by the relevant bank or financial institution, at its sole discretion.

6. Calculators Provide Estimates Only

Any calculators available on the Website (such as loan or mortgage calculators) are provided for illustrative purposes only and produce estimates based on the information you enter. They do not constitute a quote, offer, or guarantee of any kind, and actual rates, fees, and terms offered by a bank may differ.

7. No Liability for Bank Decisions

EFB is not responsible or liable for any decision, delay, rejection, or outcome resulting from a partner bank's or financial institution's own assessment of your application, whether or not you have engaged our paid consultancy services. Any such decision rests solely with that bank or institution.

8. Accuracy of Information

While we take reasonable care to ensure that information published on the Website is accurate at the time of publication, we make no warranty, express or implied, as to its completeness, accuracy, or currency, and information may change without notice.

9. Third-Party Links

The Website may contain links to third-party websites, including partner banks. We are not responsible for the content or practices of any linked third-party website, and inclusion of a link does not imply endorsement.
